

HE HAD A DREAM

MLK

MLK DAY OF SERVICE
JANUARY 18, 2016

YFU founder and Nobel Peace Prize nominee Dr. Rachel Andresen also had a dream to build peace through international youth exchange.

“

I did not do it alone. There are people by the thousand who have given themselves to make this dream come true. It became their dream, too.”

Because of families like yours, we have been able to continue Dr. Andresen's legacy and make the dreams of our incoming exchange students come true. On this Martin Luther King Day of Service 2016, we ask you to honor the memory of Dr. King and Dr. Andresen. Renew your host family application at yfuusa.org/applytohost or become a YFU volunteer today.

Curiosity about the world expands cultural awareness and acceptance of other ways to live, which leads to broader perspective and greater understanding. Help YFU continue to make strides in building global peace and understanding.

SHARE YOUR MESSAGE OF PEACE.
