HOST A STUDENT PREPARING TO HOST OPPORTUNITIES MEET THE STUDENTS SIBLINGS STORIES APPLY NOW

YFU appreciates your interest in hosting an exchange student!! Host families are carefully selected to ensure that each YFU student is welcomed by a safe, caring and responsible family.

➡ [Register for an account and start your Host Family Application now.](#)

Register to create a YFU account. Creating this account allows you to save and access your application at any time. Once you have submitted your application, you will be contacted by a local YFU representative. Completion of a host family application does not confirm or obligate you to host an exchange student. We recommend allowing up to one hour to complete your Host Family Application. It will take even less time if you have complete contact information for your references on hand. Your application progress can be saved if not completed in one sitting. Ultimately, if you welcome an exchange student student home this login will also give you access to your YFU Hosting Account.

We look forward to helping you welcome a YFU student into your family. It's an educational experience that will benefit your family long after your exchange

Criminal Background Check

As part of our process to determine your qualifications to become a YFU volunteer or YFU volunteer host family, YFU USA is required by Federal Regulations (22 CFR 62.25) to perform a criminal background check. All exchange organizations must follow this regulation, which has become standard practice for social service and non-profit organizations where adult volunteers work directly with youth.

This report will be requested by YFU USA from a consumer credit reporting agency (CRA), but will **only include information regarding criminal history and driving history records**. The results of this report will only be viewed by select YFU office staff (not field directors or local volunteers) and will remain confidential.

Under the provisions of the Fair Credit Reporting Act (15 USC at 1681-1681u) as amended, before we can seek such reports, we must have your signed permission to obtain the information. You have the right, upon written request, to a complete and accurate disclosure of the nature and scope of the report we obtained from the CRA. By law, YFU USA is also required to give you a copy of your Rights under the Fair Credit Reporting Act.
