

# STEPS TO HOSTING WITH YFU

## SUBMIT YOUR ONLINE APPLICATION

Complete your online application at [yfuusa.org](https://yfuusa.org).

- Upload photos of household and sign your CBC.
- Schedule an in-home interview

We're here to help! Contact YFU at [1.866.493.8872](tel:18664938872).

## REVIEW STUDENT PROFILES

Work with local staff and volunteers to select a student who fits your family's interests and activities.

## INTERVIEW & REFERENCE CHECKS

YFU Staff or volunteers will check references listed on your application. You will also participate in an in-home interview.

## STANDBY FOR SCHOOL ACCEPTANCE

Eagerly standby while your Field Director arranges school acceptance according to your high school's policies. This is the final step before we may give you student contact details and inform them that you will be their American family.

## CONNECT WITH YOUR SON OR DAUGHTER

Write, call or video chat with your incoming student upon school acceptance and completed paperwork.

The wait is over when you welcome your exchange son or daughter at your local airport!

## SCHOOL ENROLLMENT

Coordinate with the high school your student will attend for class registration and enrollment. Your local volunteer will guide you through the necessary steps. Have fun and support your student's adjustments throughout the year.
