What future leader will become a part of your family this year?

Did you know that many of our current world leaders have studied abroad at one point in their lives?

Share the ideals of democracy with tomorrow's world leaders. Host an exchange student. Who knows, maybe a future German Chancellor or Japanese Prime Minister will call you "Mom" or "Dad" this coming school year!

Make a possible contribution to history. Fill out YFU's Host Family application today at yfuusa.org/apply to help change the course of an individual life and become an ambassador just by being yourself.
